7. CHILD ABUSE AND NEGLECT MANDATED REPORTING

As a documentholder authorized to work with children, it is part of my professional and ethical duty to report every instance of child abuse or neglect known or suspected to have occurred to a child with whom I have professional contact.

I understand that I must report immediately, or as soon as practicably possible, by telephone to a law enforcement agency or a child protective agency, and will send a written report and any evidence relating to the incident within 36 hours of becoming aware of the abuse or neglect of the child.

I understand that reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person is not a substitute for making a mandated report to a law enforcement agency or a child protective agency.

I understand that the reporting duties are individual and no supervisor or administrator may impede or inhibit my reporting duties.

I understand that once I submit a report, I am not required to disclose my identity to my employer.

I understand that my failure to report an instance of suspected child abuse or neglect as required by the Child Abuse and Neglect Reporting Act under Section 11166 of the Penal Code is a misdemeanor punishable by up to six months in jail or by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

I acknowledge and certify that as a documentholder, I will fulfill all the duties required of a mandated reporter.
